VOL. XXIV.

FRANKFORT, KENTUCKY, SATURDAY JUNE 29, 1901.

NO. 42

COUNTRY SHOOTING.

A shooting affair occurred at Bridgeport, this county, about 5 o'clock on Saturday afternoon, between Mr. Edward Duncan and Mr. Richard Kirk, in which Kirk was shot in the right wrist and side, the latter ball cutting the sack holding the lung, and coming out at the back.

It appears that there had been bad feeling between the two men since the Democratic primary for county officers. They both came to town with their wives Saturday morning. While here they met in Matthews' saloon, on St. Clair street, where some words were exchanged, after which Duncan was knocked down by Kirk. They were separated at that time, without further trouble.

Kirk went to his home beyond Bridgeport, but came back to the Bridgeport store, and was there when Duncan came along in his buggy. So soon as Duncan caught sight of Kirk he drew his pistol and shot him as above stated.

Duncan was arrested and lodged in jail to await the result of Kirk's injuries.

PAINFUL INJURY.

While Mr. John C. Mastin was assisting in taking an old reaping machine to pieces, on Wednesday morning, he was so unfortunate as to have the second finger on his left hand caught by a heavy piece of iron and the whole end of the finger cut off, severing the artery in the ball. Mr. Mastin lost a considerable amount of blood before Dr. Wallace could reach him and attend to the injury. It is all O. K. now, however.

PROMOTED.

We are glad to note that Mr. Geo. W. Lewis, jr., son of Mr. J. B. Lewis, editor of this paper, has been promoted from individual book-keeper to general book-keeper in the National Bank of Kentucky, in Louisville. Mr. Lewis is a fine officer, and the officials of the bank have shown their appreciation by promoting him several times.

KICKED BY A MULE.

Mr. Bud Satterwhite, who drives a team of mules for Judge W. L. Pence, was kicked by one of the mules on the head, Monday afternoon. Luckily his skull was not crushed, and while badly hurt, he will recover. Dr. Pritchard, of the West Side, attended to his injuries.

THAT "POW-WOW."

The Indians of our city invite their pale faced friends and the balance of mankind to witness their parade and to attend their "pow-wow" at their camping ground in Cove Spring Park, Thursday, July 4th.

Twenty-five cents covers street car fare and admission to the grounds.

Backache should never be neglected. It means kidney disorder which, if allowed to run too long, may result in Bright's disease, diabetes and other serious and often fatal complaints. Foley's Kidney Cure makes the kidneys well. Take nothing else. South & Longmoor and W. McKee Hardie.

TERRIBLE DISASTER.

On Saturday last a terrible water spout struck West Virginia, in the course of which horrible loss of life and property occurred.

It is supposed that about one hundred persons were drowned, hundreds and thousands of homes were washed away and incalculable damage done to railroads, farms and other property.

As a consequence all west bound C. & O. trains were delayed from 86 to 40 hours.

This same section was visited by a second water-spout on Tuesday, and the disaster was still augmented.

HORRIBLE.

News came to this city on Sunday that Mr. Henry S. Church, for many years a citizen of this county, and son of the late Mr. John F. Church, had killed a woman in Louisville, and had then suicided.

Mr. Church's mind had been affected for some time by the use of drugs.

The body was brought here on Monday afternoon and buried in the family lot in our cemetery.

FIGHT AMONG CONVICTS.

Two colored prisoners in the local pen by the names of John Leek and Milton Camper, became involved in a fight, on Friday evening, in which Leek inflicted two severe cuts in Camper's right lung. The injuries are very serious.

CHEAP INSURANCE.

Many a man has been insured against Bright's disease, diabetes, or other dangerous ailment by a fifty cent bottle of Foley's Kidney Cure. South & Longmoor and W. McKee Hardie.

FOR SALE.

An Upright Kurtzman Piano. Apply to Miss Simpson, Chas. Finnell's or at this office.

SAD AND SUDDEN.

We were saddened and shocked, on Saturday, to learn of the sudden death of Mrs. Fannie Holton Keller, wife of Col. Green R. Keller, of Carlisle, and mother of Dr. H. M. Keller, of this city.

It has been but a few weeks since Mrs. Keller was here on a visit to her son and was seemingly in perfect health and a very handsome woman of her age.

We tender to our friend, her broken-hearted husband, the tenderest sympathy of one who has passed through the same experience in the loss of the wife of his youth.

ADJOURNED UNTIL COURT IN COURSE.

The Court of Appeals adjourned for the term, on Saturday last, and until court in course, which will be Monday, September 10th.

At the next January term Judge B. L. D. Guffy becomes Chief Justice, Judge Paynter having, at that time, served one year as such.

A fatal policy is to neglect a backache or other sign of kidney trouble. Foley's Kidney Cure is a sure remedy for Bright's disease, diabetes, and gravel. South & Longmoor and W. McKee Hardie.

SAVES TWO FROM DEATH.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had consumption in an advanced stage, also used this wonderful medicine and to-day she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds, 50c and \$1 bottles guaranteed by J. W. Gayle. Trial bottles free.

If you want the best pure ice cream, made of pure cream, call on L. F. Violett, at the old Todd stand, near the bridge. 40-1f.

A GOOD COUGH MEDICINE.

It speaks well for Chamberlain's Cough Remedy when druggists use it in their own families in preference to any other. "I have sold Chamberlain's Cough Remedy for the past five years with complete satisfaction to myself and customers," says druggist J. Goldsmith, Van Etten, N. Y. "I have always used it in my own family, both for ordinary coughs and colds, and for the cough following la grippe, and find it very efficacious." For sale by J. W. Gayle and South & Longmoor.

DELIGHTFUL ENTERTAINMENT.

As announced the entertainment for the benefit of the Kings Daughters, came off on Thursday night last, in the Parrish House of Ascension Church. The recitations in Southern Dialect by Miss Barbee were simply perfect, and every one who heard her was delighted. We had heard her work along this line highly commended, but she exceeded, by far, what was expected of her. She certainly made the hit of the season in each and every piece.

The vocal music by Messrs. T. H. Slaughter and J. M. VanDerveer was first-class, and was greatly enjoyed.

We can not forbear stating to the good people of other cities, who may have the opportunity of having Miss Barbee visit them, that they have a rare treat ahead.

Dr. Wallace has opened a Private Hospital at Frankfort, Ky., for the treatment of Chronic Diseases. Physicians in this and adjoining counties having cases requiring operations or such treatment as they have not the time or facilities for giving, can send them to this institution. For terms address Dr. Wallace, Frankfort, 19-2f.

NEW ENTERPRISE.

Mr. A. B. Hammond wishes to inform his many friends in this and adjoining counties that he will open a retail lumber yard, at Wakefield's old stand, after July 4th, where he will keep a full line of building material. When you need lumber of any kind don't forget Lon.

The Art of Self-Defense.

The popular idea expressed in the phrase, "the art of self-defense," shows the opinion that the chief enemies a man has to defend himself from are visible and external. But the real danger of every man is from minute and often invisible foes. In the air we breathe and the water we drink are countless minute organisms leagued against the health of the body.

The one defense against these enemies is to keep the blood pure. Dr. Pierce's Golden Medical Discovery thoroughly purifies the blood, removing poisonous substances and accretions. When the blood is pure there is no harborage for the germs of disease which find a lodging only when the blood is impure and corrupt. "I consider your 'Golden Medical Discovery' one of the best medicines on the face of the earth," writes Mr. Wm. Piester, of Red Oak, Montgomery Co., Iowa. "While in the southwest, three years ago, I got poisoned with poison ivy. The poison settled in my blood and the horrors I suffered cannot be told in words. I thought I would go crazy. I tried different kinds of medicine, tried different doctors, but all the relief they could give me was to keep me from going crazy. I then began taking Dr. Pierce's Golden Medical Discovery. Took four bottles without relief. Kept taking it. I took it in all ten bottles and got entirely cured." Dr. Pierce's Pleasant Pellets cure constipation.

HONORED CITIZEN DEAD.

On Sunday night about 12 o'clock, Mr. Benjamin F. Meek, sr., died at the home of his daughter, Mrs. Richard Church, Shelby street, aged 85.

Mr. Meek was one of the few old time citizens of this city, and was highly regarded by everybody who knew him, as an honest, upright gentleman.

By occupation he was a watchmaker and silversmith of the old style, and for many years he and Capt. B. C. Milam were partners in business, occupying the stand now occupied by Mr. A. G. Graham's tailoring establishment.

His work was always well and faithfully executed, and many watches are still in use in this and adjoining communities which were the product of his hands.

In late years he had entered largely into the manufacture of his celebrated fishing reel. In the prosecution of this work he removed to Louisville and remained there until about two years ago, when the infirmities of age compelled him to stop work, and he returned here with his aged and beloved wife to spend the remainder of their lives in their old home.

Gradually his physical health gave way, until some month ago, he was confined to his room and bed. Loving friends ministered to his every want and tenderly anticipated his every desire.

He leaves an aged wife and two daughters (Mrs. J. F. Tillett and Mrs. Richard Church), and four sons (Ben. F., jr., Jas. F., Claudas and Sylvester Meek), and a large circle of friends and relatives to mourn his departure.

The funeral services took place on Wednesday morning, services being conducted by Rev. Dr. Blayney, after which the remains were placed in the family lot in our cemetery.

SEE HOW WE GROW.

Notwithstanding the untoward circumstances surrounding this city for the last eighteen months, there is quite a revival in building and improvements upon property. We give below an account of some of the work now being done and just being commenced:

Mr. Walter G. Chapman's handsome two-story frame house, on Wapping street, is rapidly approaching completion.

Mr. Mike Buckley is building a nice cottage for Mr. W. B. George, on Ann street.

Mr. W. H. Posey has four cottages, of five rooms and kitchen each, on Todd street, being built by Mr. Will L. Graham. They are very near to completion.

Mr. V. J. Hughes has two comfortable cottages nearly completed on Murray street.

Mr. J. M. VanDerveer, Dr. J. S. Coleman and Mr. C. E. Collins have staked off the ground for their new residences on Shelby street, and workmen are getting out the frames.

Col. D. C. Crutcher is having granitoid pavements put down in front of his house on Ann street.

The wide pavement along the side of the Capital Hotel, on Ann street, has been taken up, and a granitoid walk is being put down, which was very much needed.

Granitoid walks are being and have been put down all around the Farmers Bank.

On the South Side a granitoid walk has been put down in front of the Williams block, on Bridge street.

On the West Side, granitoid walks have been laid from the residence of Judge John N. Crutcher nearly all the way down to the entrance to Lake Park.

Mr. Jas. A. Scott is completely remodeling his house on the corner of Fourth Avenue and Shelby streets, and will put down a granitoid walk along the Fourth Avenue side, that on Shelby street being already down.

Every house under construction will be occupied as soon as completed, and yet the demand is for more.

Mr. Henry Ringold's big block of stores at the corner of St. Clair and Broadway, is going up rapidly and will soon be ready for the roof.

The best cakes, rolls and bread will be found at **Luther F. Violett's stand.** Prompt attention given to all orders. Phone 79. 40-ff.

A protracted meeting will be held at the Peaks Mill Church, commencing on Monday night, June 24th, under the direction of Brother Arnold, of Frankfort, and Bro. Taylor, of Lexington. "CALOMEL."

SEVEN YEARS IN BED.

"Will wonders ever cease?" inquire the friends of Mrs. L. Peace, of Lawrence, Kan. They knew she had been unable to leave her bed in seven years on account of kidney and liver trouble, nervous prostration and general debility; but, "Three bottles of Electric Bitters enabled me to walk," she writes, "and in three months I felt like a new person." Women suffering from headache, backache, nervousness, sleeplessness, melancholy, fainting and dizzy spells will find it a priceless blessing. Try it. Satisfaction is guaranteed. J. W. Gayle. Only 50c.

ANOTHER SAD DEATH.

News reached this city, on Monday night, that Mrs. Annie R. Macklin, wife of Mr. A. W. Macklin, of this county, had died that evening at St. Joseph's Infirmary, in Louisville.

Mrs. Macklin was the youngest daughter of the late Hon. Hillery M. Bedford, of the Forks of Elkhorn. In young girlhood she was happily married to Mr. Alexander W. Macklin, and two children were given to them (Mr. Bedford Macklin, of this county, and Mrs. F. L. Koop, of Louisville.)

When a mere child she was converted under the ministry of Rev. Dr. Cadwallader Lewis, and united with the Providence Baptist Church. She and her husband have always been co-workers in all that made for the interests of the Master's cause.

For a long time her health had been poor, and it was finally decided that she should go to the infirmary in Louisville for treatment. Although every thing that science could suggest or means could furnish was done to restore her, all failed, and, for several weeks, her husband and family have been looking for the end.

The remains were brought back here for interment, the funeral services being conducted at the Cemetery Chapel, on Wednesday morning, at 11 o'clock, by her pastor, Rev. E. F. Wright, of Woodlake, and the loved form was laid to rest with her kindred dust in our cemetery.

We have known Mrs. Macklin all her life, and admired her for her unselfish and beautiful life.

The Providence Church has sustained a heavy loss, her family an irreparable one, and the whole community mourns a good woman (with all that the name implies, gone to her reward.

To our grief-stricken friend, her husband, and to all the bereft, we tender our warmest sympathy.

SAD END.

Our community was sadly shocked, on Saturday morning, when the news flew abroad that Miss Alice U. Gibbs, daughter of Mr. J. C. Gibbs, had committed suicide, at her home on Campbell street, about 11 o'clock Friday night.

Miss Gibbs was a handsome and attractive young girl, aged about 18 years, a graduate of Science Hill Female College, Shelbyville.

The family had come to this city from Shelbyville a year ago, and the father had entered the saloon business.

There are many rumors in connection with this sad affair, about which the less said in the public prints the better.

The funeral took place on Sunday morning at 10 o'clock, Rev. J. R. Savage, of the Methodist Church, officiating, after which the remains were buried in our cemetery.

QUICK RELIEF FOR ASTHMA.

I began using Foley's Honey and Tar and it has never failed to give immediate relief." South & Longmoor and W. McKee Hardie.

DOES NOT FORGET.

Below we give an extract from a speech delivered by Dr. John O. Scott (now of Sherman, Texas, but formerly of this county), at a meeting held by Ex-Kentuckians at Dallas, that State, his subject being "The Orators of Kentucky." It shows that he ever holds in remembrance the scenes of his and our boyhood.

When a little boy we were sent to mill at the Forks of Elkhorn. The mill is located in a long green valley, with picturesque hills on either side. Oh it was a magnificent scene to witness the junction of the two Elkhorn creeks in that beautiful valley. "In this wide world there is no valley so sweet as that valley in whose bosom the bright waters meet." Going down the rocky road, through pools of water from ice cold sparkling springs, gushing from either side, it was a grand sight to behold in the charming valley, the meeting of the two silver streams like fond brothers in loving embrace, and in the glorious talk of the splashing waters, relate to each other their journey along flowing banks decked with rosy bowers, where sported the fairest of women kind in loving dalliance and charming beauty. Through green pastures where roamed the swiftest horses of the wide, wide world, the pride of the Kentuckian. Adown the creek, it was a charming sight to behold the old mill wheel turning round and round, splashing the foaming waters, and under the radiant mid-day sun paint the glittering mist and sparkling spray with a thousand hues, a thousand tints, a thousand colors of the gorgeous rainbow. Further up the stream of the double current of commingling waters, it was a sight of grandeur to view the mighty waves like ocean tides, rise and sink in white foam capped jets and in one broad extended sheet of laughing water roll below the lofty dam, splash and dash, whirl and scatter on the giant rocks below. Boy-like, looking over the grand archway, we saw that Dick Johnson would speak at the White Sulphur Springs on the morrow. We heard him speak. All through life, his charming eloquent voice has ever rung in our ears like the sweet-toned music of the midnight serenade of the gay Trubadour. Mr. Johnson's oratory was not like Marshall or Crittenden to gather golden wreaths of rhetoric from the sunlit clouds that deck the horizon with brilliant beauty and gorgeous grandeur, or paint the dying acts of heroes in colors as brilliant as the resplendent rainbow. Often his oratory was of a conversational kind. He could weep with one eye and laugh with the other. At one time his audience would be howled down in tears, at another the welkin would ring with shouts of laughter for his amusing anecdotes. We never will forget the pathetic, heart-searching oratory of Mr. Johnson, when he related how, at the battle of the Thames, General Wm. Whitley led the forelorn hope of the Kentuckians, as brave as the guard of the Inker men, "the rose

and expectancy of the fair State," to glory and victory, through the dense undergrowth of the dark forest adown into the swampy river bottom to the jaws of death to the jaws of hell. All over that valley of death could be heard the blood-curdling yells, the horrid howls, the frightful war-hoop of the blood-thirsty savage foe. The war-painted Indian, with bloody tomahawk and scalping knife in hand, could be seen darting from tree to tree, hiding in the thickets, crawling through the long grass and giving no quarter to the brave Americans he met in his merciless pathway. On the blood-stained edge of the battle cauldron, where death held high carnival, could be seen the lordly form and waving crest of General Whitley, with bloody falchion in hand, soaring above the battle tide like the white plumed Charles of Navarre. Although mortally wounded, he still clung to the star-spangled banner, given to him by the ladies of Kentucky. In the front rank and the onslaught of the savage foe, on this field crimsoned with the red rain of battle, could be seen the flaunting folds of that star flowering banner, like the fearless eagle, amid the cloud gathering storm, floating in imperial majesty, rejoicing in triumphal victory. On the spot where Tecumseh fell, and from whence the Indians fled, the flag of the Stars and Stripes, all tattered and rent with ball and stained with dying heroes' blood, was found beneath the cold pale body of General Whitley, and a score or more of brave Kentuckians all hacked and gashed with horrid wounds. In the darkness of gloom and the rack of despair, there could be heard all over the Kentuckyland, lamentations of joy and sorrow. There could be heard the wailing screams of the dead soldier's wife; there could be heard the heartrending cries and piteous moans of child bereft of father. There could be seen the weeping maiden clad in the sable drapery of despair, inconsolable for her hero-lover, pale, cold, dead, on the field of battle, on the field of honor, on the field of glory. There could be seen the old gray-headed Kentucky father bowed down with grief, sorrowing for his brave soldier boy, dying on the field of battle on the banks of the far off Thames. There could be seen the said, and face of the broken-hearted mother, the burning tears of whose weeping eyes the playing angels despair to wipe away.

GOOD MAN GONE.

Rev. Franklin H. Kerfoot, D. Secretary of the Home Mission Board of the Southern Baptist Convention, died at his home in Atlanta, Ga., on Saturday last, at 8 p. m., of a complication of diseases, aged 54 years.

Dr. Kerfoot was an able, fearless and eloquent preacher and profound theologian. He had been past or of a number of Baptist Churches in Kentucky, and also at Brooklyn, N. Y., and Baltimore, Md. Until within the last two years, he had been one of the professors in the Southern Baptist Theological Seminary, at Louisville. He was a strikingly handsome man physically, and very attractive socially.

He will be sadly missed in all the relations of life.

He leaves a wife and two grown children—Mr. Branch Price Kerfoot and Miss Mattie Kerfoot—besides a host of warmly attached friends to mourn his untimely end.

The remains were brought to his old home at Shelbyville for interment, after funeral services at the Baptist church, conducted by his life-long friend, Rev. Dr. Henry McDonald, assisted by a number of others.

The Mechanics' Institute at Rochester has obtained space in the Educational Division of the Pan-American Exposition for an exhibit. The pictures to be placed on view are three sizes: 28x22 inches, 22x14 inches and 7x5 inches. Room for 32 of the largest size has been given to the institute.

DEATHS.

TILFORD—At Asheville, N. C., on Sunday, June 23, Miss Grace Tilford, only child of Mr. Robert W. Tilford and wife, of Greenville, Miss., and granddaughter of Mrs. Ann E. Tilford, of this city.

Miss Tilford was in the bloom of a beautiful young girlhood, being only 17 years of age.

In February, while attending an art school at New Orleans, La., she was attacked with la grippe, which settled on her lungs. Her parents resorted to every thing known to medical science to restore her to health, and, as a last means, sent her to Asheville, N. C. Alas, nothing could stay the hand of the grim monster.

Quietly, calmly and rejoicingly she saw the conquerer approaching, but with faith unshaken and trusting confidence "in Him in whom she had believed," she awaited the change, triumphant in the dying hour.

We make the following excerpts from a letter written by a lady who was with her for the last two weeks of her illness:

"She did not suffer at the last, just sweetly fell asleep. * * * Her beautiful resignation and trust was an inspiration to me. Two days before her death, when she was very sick, she sang part of 'Mother Dear Jerusalem,' saying that it suited her case exactly. * * * Oh! I was wonderfully beautiful to hear her talk."

The remains were taken back to her home at Greenville, Miss., for interment.

To the grief-stricken parents and loved ones we tender our sincerest sympathy in their great loss.

The first premium was in the regular class and the second in the sweepstake.

We congratulate our friend upon success.

MISSING.

The family of Mr. Joseph Rosenberg, of this city, are very uneasy about him. Since he closed out his clothing store here, he has been traveling as an optician, and recently wrote his wife from a point in West Virginia, near the Elkhorn Valley, stating that he was going to the towns in that valley. Since then the two terrible storms have occurred, in which so many lives were lost. Mr. Rosenberg's family have been unable to learn anything about him since the storm.

TRACED HERE.

HIS LIFE SAVED

By Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"I am sure that Chamberlain's Colic, Cholera and Diarrhoea Remedy at one time saved my life," says A. E. Lafaletta, of Gregory Landing, Clark county, Missouri. "I was in such bad shape that the doctors said I could not live. When I was at the lowest ebb, one of my neighbors brought in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and I took it and got instant relief. I soon got up and around. That was nine years ago and I am still in good health. Since then that medicine has always been in my home and always will be. It is the best on earth."

TO OUR PATRONS.

The Frankfort Telephone Co., appreciating your patronage and desiring to meet the demand for its service in a manner worthy your support, and the growth which is annually ours, have lessened our quarters on the southwest corner of Main and St. Clair, where we purpose installing our new plant, which will be absolutely up to date.

This work of re-installing the plant is a tedious and delicate undertaking, and the service will, of necessity, be below business standards during that time. This work is in the line of improvement, however, and we ask your indulgence for a little while, when we will give you service of the highest standard. The company claims some credit for the work it has already done. Coming into the field less than three years ago, it has built up an exchange of over three hundred connections in this county, and has reduced the rentals to \$12, \$10 and \$20 per year for city connections, a rate that is irrefragable and within the reach of the people. We have planned extensive work in the county. Contracts have been made, and the work of connecting every community in the county has actually begun, and will be completed during the summer.

We recognize the favor of your patronage and appreciate your kindly disposition toward us, and will endeavor to merit it in our business and personal relations. Very truly,

CUTTING SCRAPE ON TRAIN.

Capt. James Fitzgerald, who was conductor on a Sunday excursion train, last Sunday, had trouble with a negro passenger, near Payne's Depot, Sunday night. The negro inflicted several cuts on Capt. Fitzgerald, and, when the train crew attempted to capture him, jumped off and escaped. It is known, however, and will be captured.

Capt. Fitzgerald was pretty badly used up.

Later—Two negroes have been arrested and jailed at Georgetown for the offense.

WILL PRACTICE IN GEORGETOWN.

Dr. R. P. Buckmaster, the bustling young Osteopathic Physician, has arranged to open a branch office in Georgetown. He will visit that city on Tuesday, Thursday and Saturday of each week. His office is in the Wellington Hotel.

Dr. James McKee, of Woodford county, who has just graduated at the Kirksville, Mo., Osteopathic College, will assist Dr. Buckmaster and Dr. Nettie S. Turrow in the home office in this city.

MILITARY CAMPS.

Many military organizations intend to visit the Pan-American Exposition during the summer. Arrangements have been made to provide first-class accommodations for them. The Exposition will maintain a permanent camp within the grounds for the accommodation of about 200 men at one time.

This camp will be supplied with tents, floors, cots, buckets, basins, pint cups, light, water and sinks for the use of which no charge will be made. It will be necessary for visiting organizations to furnish their own blankets and subsistence.

There will be no accommodation for cooking in this camp, but the visitors will, no doubt, be able to make satisfactory arrangements with restaurants on the grounds at reasonable rates.

It is expected that organizations taking advantage of these camp privileges, will at such time as may be agreed upon before hand, give military exhibitions without charge in the Stadium.

Bands in uniform will be admitted to the grounds free. Organizations using this camp will pay one general admission per man when they enter the grounds, and must be governed by the rules and regulations laid down by the Exposition Company.

On account of the large number of organizations now applying for camp facilities at the Exposition, the use of this camp will be limited to a period not exceeding six days for any one organization. Large bodies of troops visiting the Exposition must be quartered out side the grounds, where a large camp for the purpose has been established.

Major Charles J. Wolf, is in charge of the Military Bureau, and he is kept very busy these days furnishing information to organizations intending to visit the Exposition.

Mr. James Brown, of Putnam, Va., over 90 years of age, applied for years with a bad sore on his face. Physicians could not help him. DeWitt's Witch Hazel Salve cured him permanently. South & Longmoor and W. McKee Hardie.

RETIRES FROM BUSINESS.

Mr. John W. R. Williams, who has been operating a drug store on Main street for several years, has sold out to the South-Longmoor Co., which is composed of Messrs. Sam South, W. W. Longmoor and Russell Hughes. The new concern will take charge on Monday next, July 1st.

Dyspeptics can not be long lived because to live requires nourishment. Food is not nourishing until it is digested. A disordered stomach can not digest food, and it must have assistance. Kodol Dyspepsia Cure digests all kinds of food without aid from the stomach, allowing it to rest and regain its natural functions. Its elements are exactly the same as the natural digestive fluids, and it simply can't help but do you good. South & Longmoor and W. McKee Hardie.

HAND HIM ALONG.

A slick-tongued, good-looking stranger came to this city on Monday, claiming to be a Y. M. C. A. worker. He secured day board on the South Side, at the same time renting a furnished room. A short time afterwards it was discovered that he had entered the room of a fellow lodger, picked the lock of a trunk, secured a tin box containing valuable papers, cut it open, and, finding nothing of value, to him, threw them into a closet and skipped. When the facts leaked out there was considerable consternation among the parties concerned.

He gave the name of Leonard, and claimed to have attended a school for training Y. M. C. A. workers.

He is a base impostor. Hand him along.

THAT "INJUN" PICNIC.

Don't forget that Black Foot Tribe, No. 67, I. O. R. M., will have the grandest picnic of the season at Cove Spring Park, on Thursday next, July 4.

There will be lots of fun, plenty to eat, good shade and cool water for all.

The entrance fee is only 25 cents, which includes the street car fare both ways. Go out early and stay late if you wish to enjoy the day.

SHOULD BE CAUGHT.

There is some scoundrel who is going about the country between this city, the Forks of Elkhorn and Peaks Mill who should be looked after and taught a lesson. On Sunday night he went to the residence of a gentleman near Peaks Mill, entered the room of the gentleman's daughter. He caught hold of the night dress of the young lady when she woke up, screamed and tore loose from the fiend. The wretch became frightened and jumped out of the window and fled. This is the third attempt made by the same party (it is thought) to do some devilish work.

He should be taught a lesson.

Men may differ on politics, religion or finance, but all who have tried Banner Salve are agreed as to its worth for cuts, burps, sores, piles and skin diseases. It's the most healing medicine in the world. South & Longmoor and W. McKee Hardie.

QUESTIONS ANSWERED.

Yes, August Flower still had the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac. J. W. Williams & Co. 42-17

You may as well expect to run steam engine without water as to find an active, energetic man with a torpid liver, and you may know that his liver is torpid when he does not relish his food or feels dull and languid after eating, often has headache and sometimes dizziness. A few doses of Chamberlain's Stomach and Liver Tablets will restore his liver to its normal functions, renew his vitality, improve his digestion and make him feel like a new man. Price, 25c. Samples free at J. W. Gayle's and South & Longmoor's drug store.
